

# Potomac Custom Remodel: Delaware & Maryland's Trusted Home Improvement Pros.

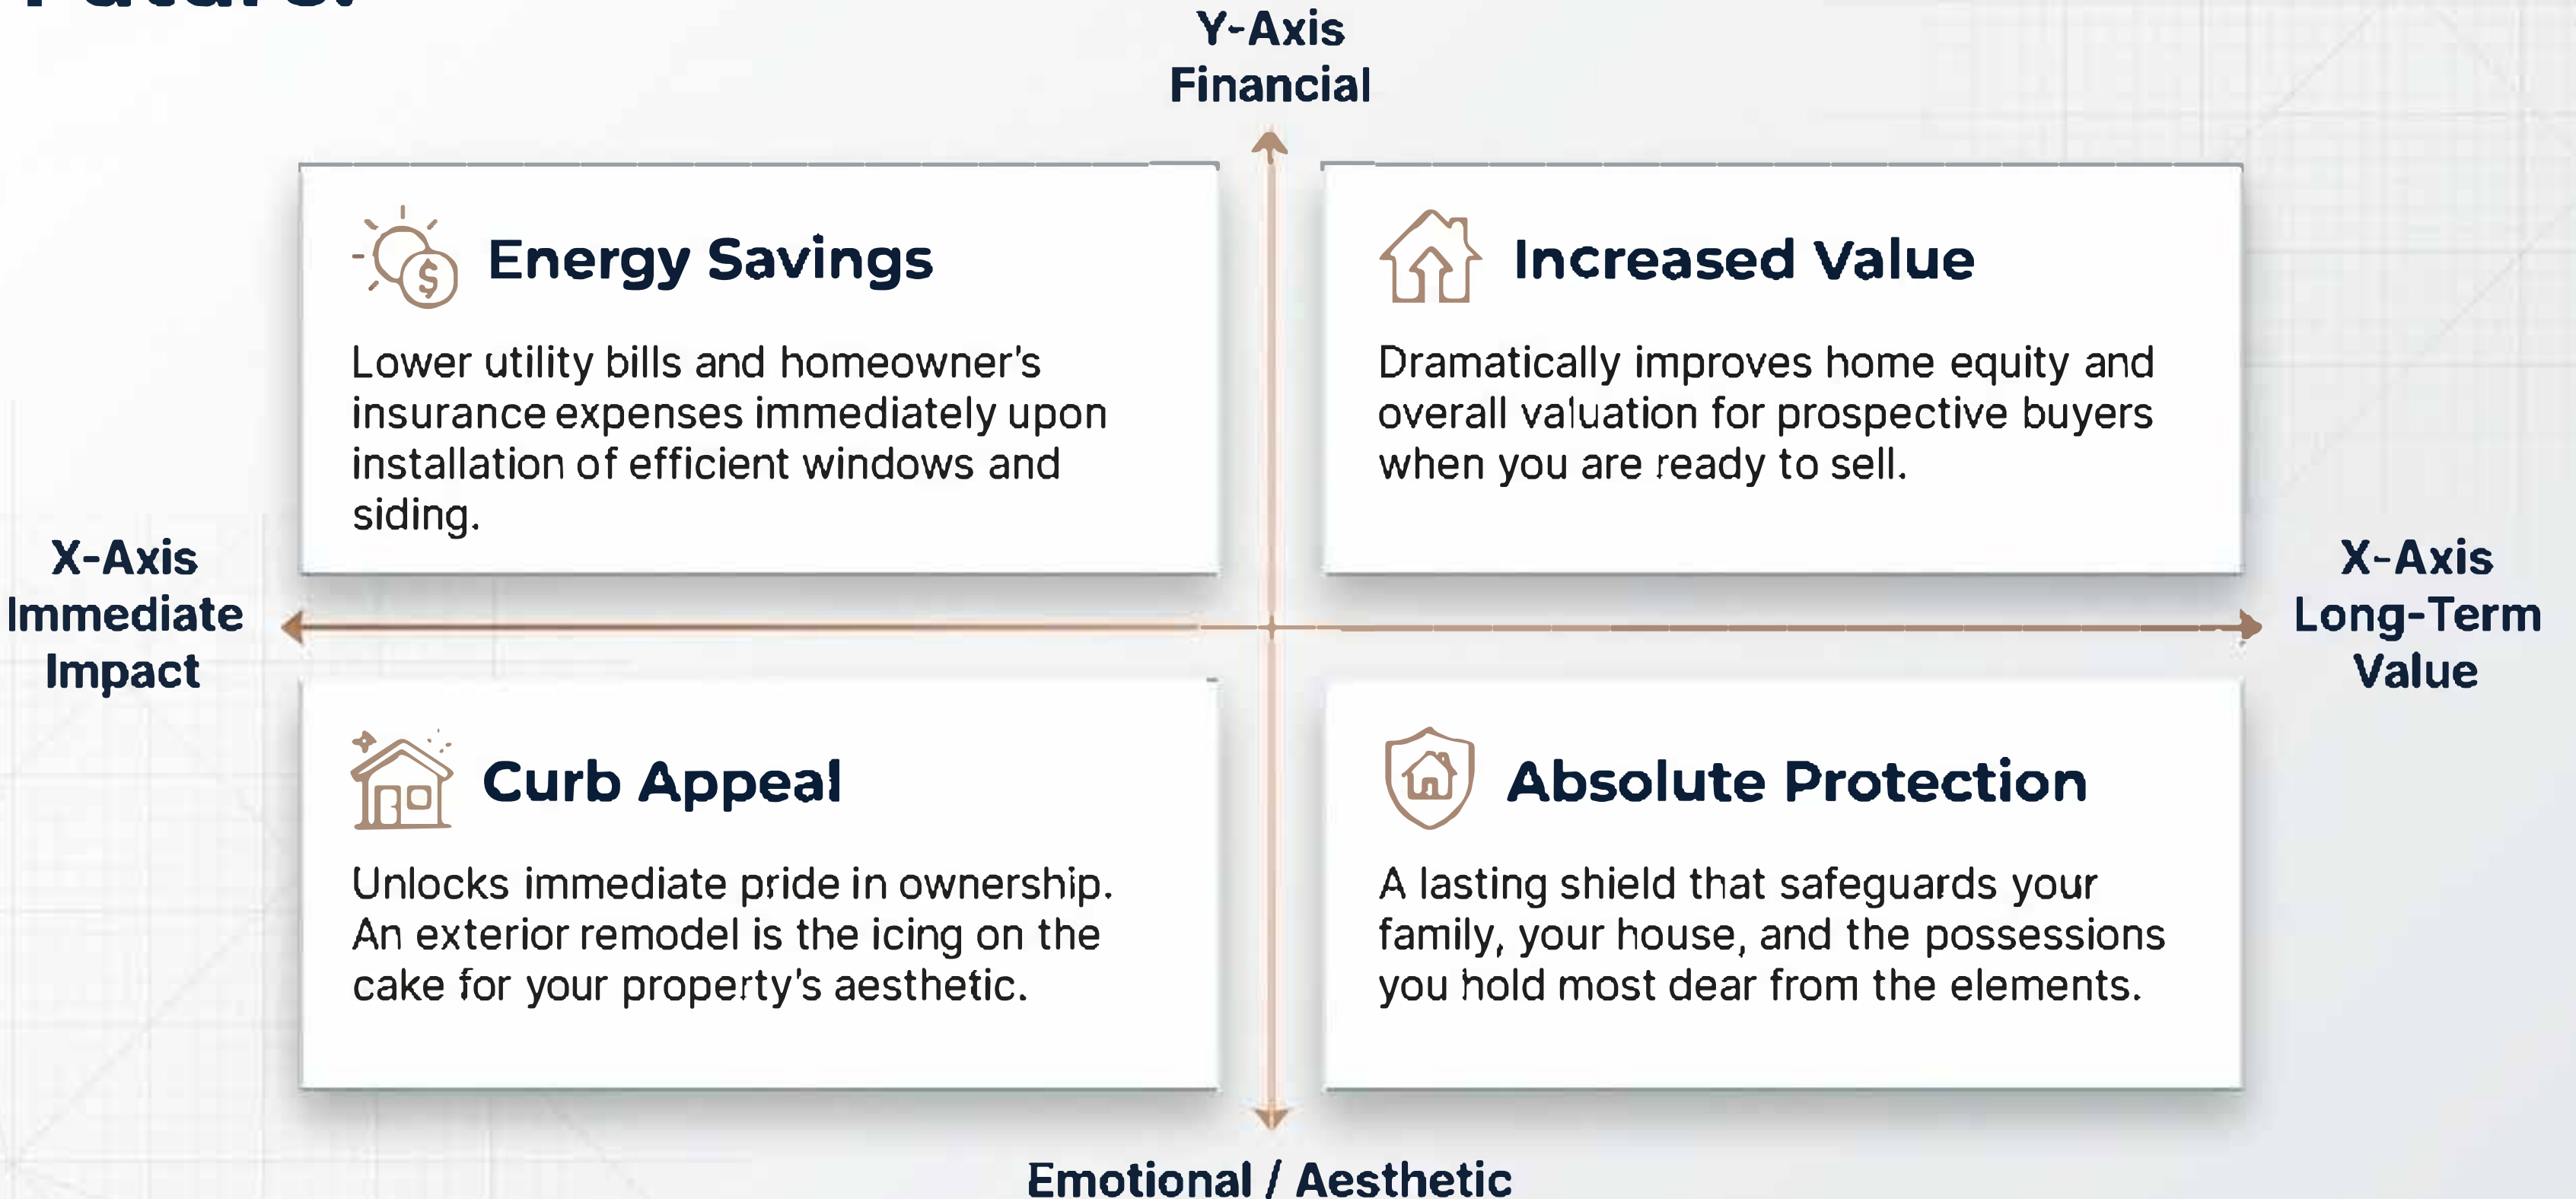

*Where Quality Meets Integrity.*

Roofing | Windows | Siding. Fully Local, Bonded, & Insured.

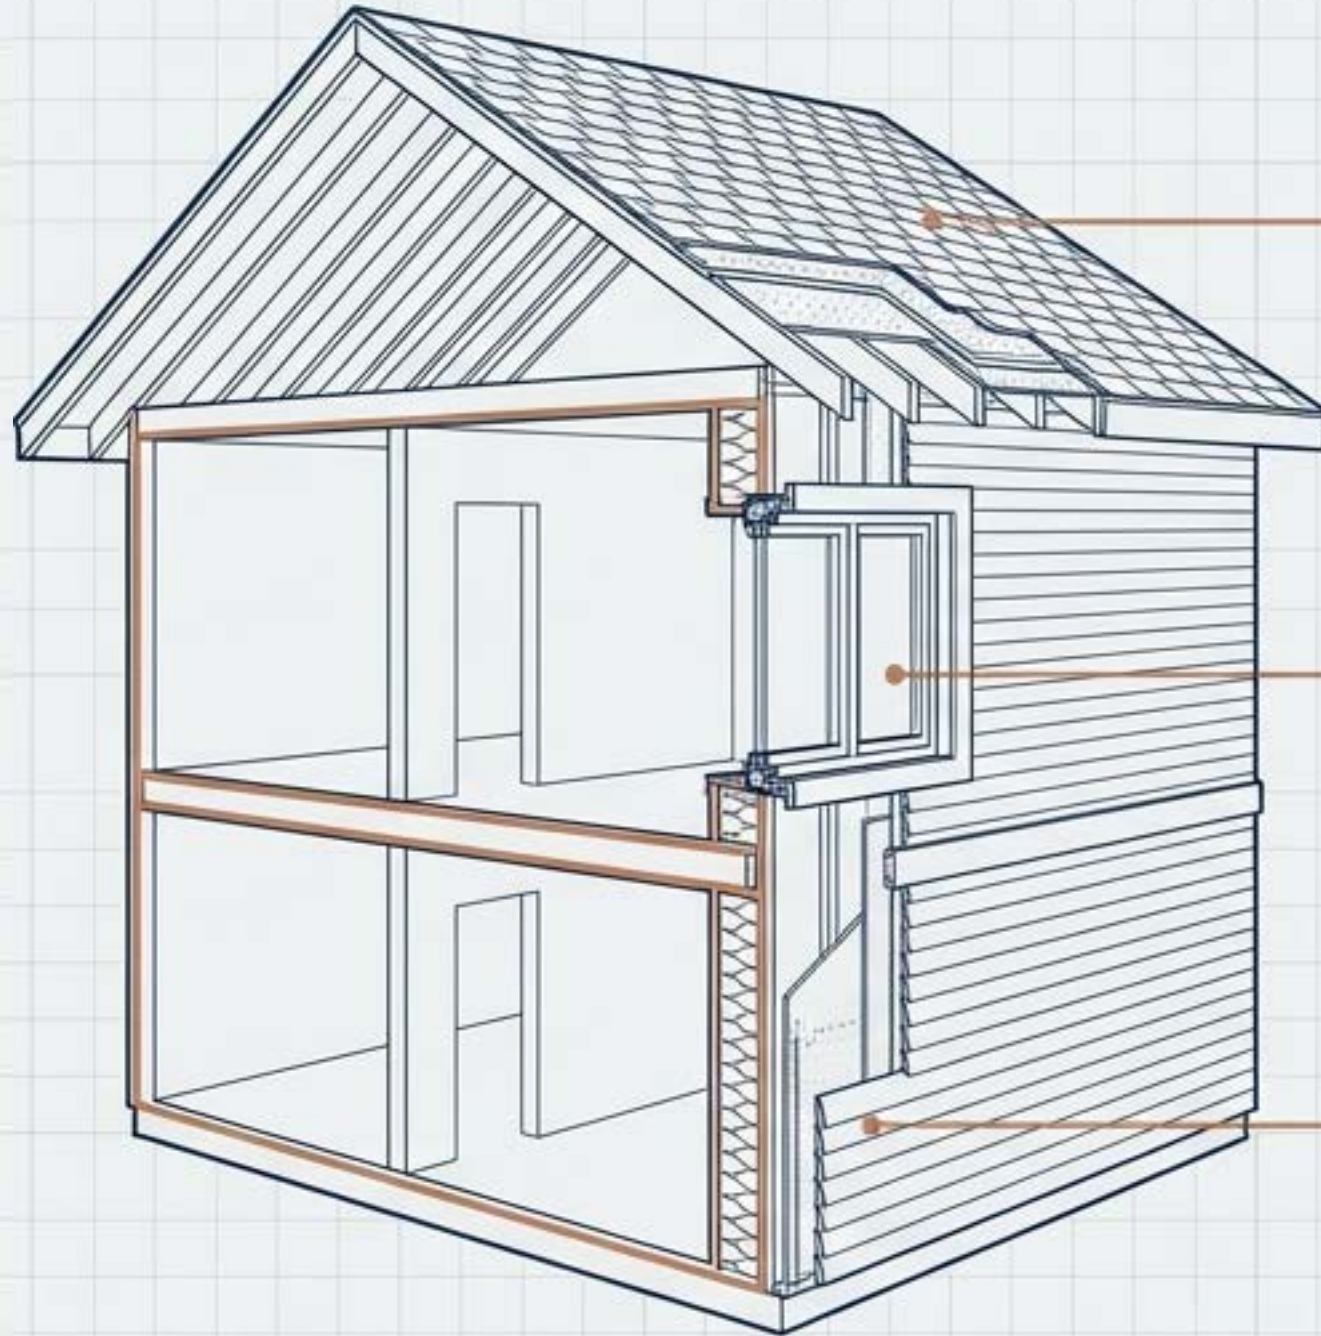

# The PCR Standard Eliminates the Risk of Home Remodeling.

The Average Contractor	The PCR Standard
Generic, unknown brands	 Top-of-the-line Tamko & GAF products
Standard 1-year or no warranty	 Industry-leading Limited Lifetime Warranty
Heavy upfront costs & hidden fees	 0% Down, No Interest, No Payment Financing
Unverified, inconsistent results	 5.0 ★★★★★ Rated, heavily reviewed local pros

# A Strategic Investment in Your Home's Future.

# The Tri-Pillar Exterior Protection Ecosystem

## **Roofing: The Shield**

Defending the structure's integrity from above.

## **Windows: The Efficiency**

Sealing the thermal envelope while letting in natural light.

## **Siding: The Armor**

Wrapping the home in durable, weather-resistant protection.

When you partner with PCR, we ensure these three pillars work efficiently together to minimize inconveniences and produce a final result you will love.

# Engineered Roofing Solutions for Every Scenario.

## Install & Replace

Residential and Commercial application of premium Asphalt Shingles. Full-scale roof replacement and new installation.

## Restore & Repair

Targeted roof restoration and expert repair to extend the life of your current structural shield.

---

Comprehensive roof inspections.

## Storm Relief

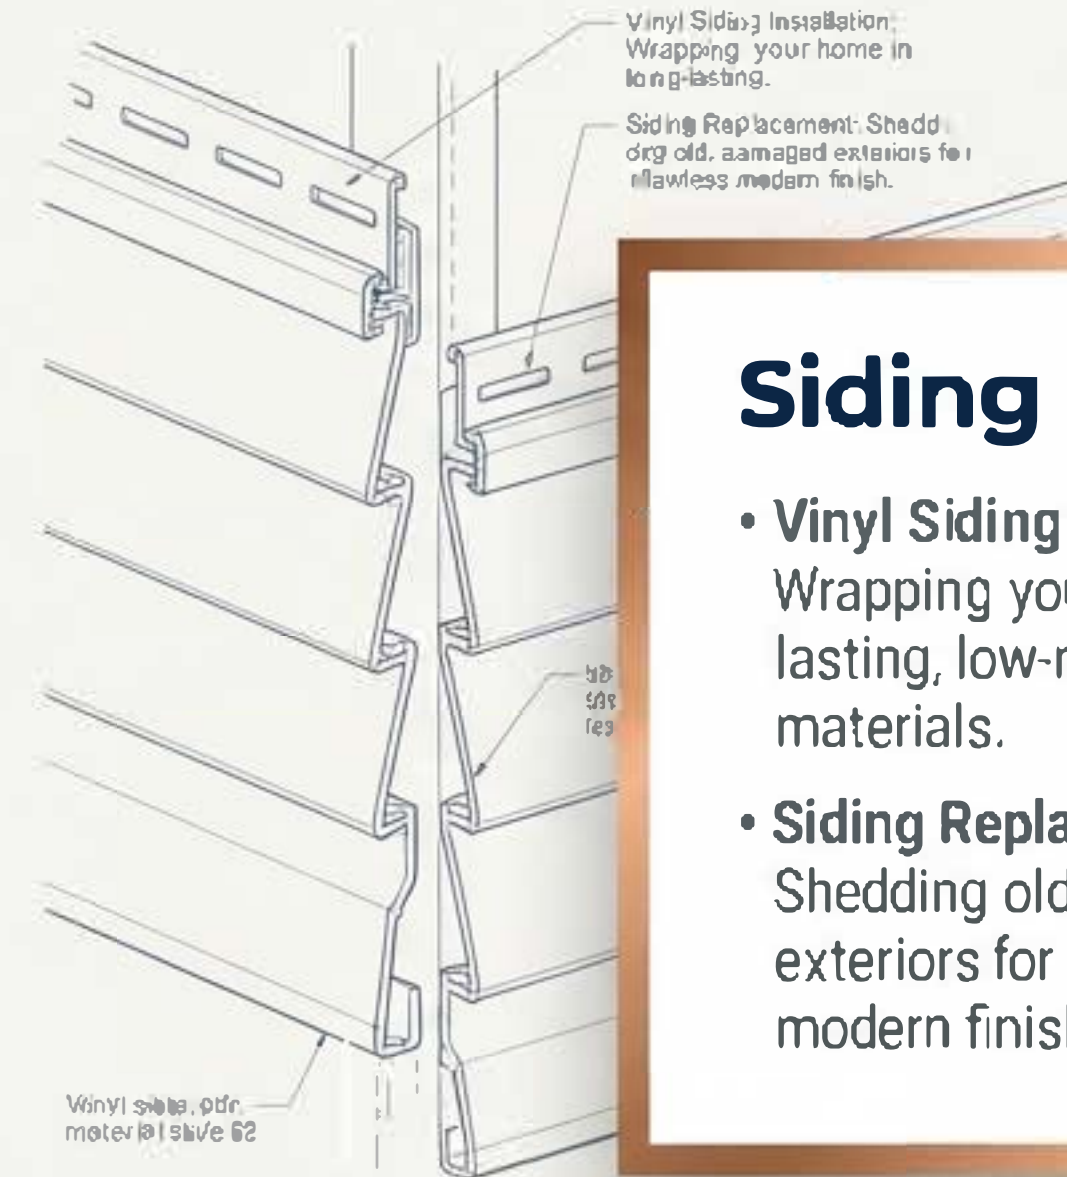

Urgent response for Storm and Hail damage. We will provide the necessary documentation to support your claim.

# Precision Windows & Weatherproof Siding

## Windows

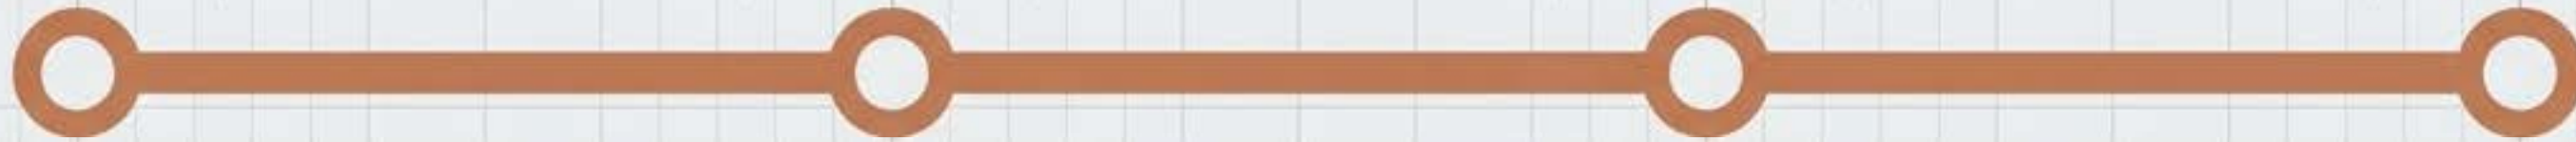

- **Replacement & New Windows:** Upgrading your home's thermal barrier.
- **Vinyl & Energy Efficient:** Lowering overhead costs with modern, heavily insulated home windows.

## Siding

- **Vinyl Siding Installation:** Wrapping your home in long-lasting, low-maintenance materials.
- **Siding Replacement:** Shedding old, damaged exteriors for a flawless modern finish.

# The Seamless PCR Project Journey

## No-Hassle Consultation

We start by understanding your goals. Tailored quotes based on your exact demands, leveraging our low overhead for competitive, affordable pricing.

## Constant Communication

You are never left in the dark. Expect positive company interaction and regular job updates from your dedicated project manager.

## Respectful Installation

Quick, highly-skilled professional crews arrive on time. We take great care to respect you, your property, and your possessions.

## Immaculate Clean-Up

We leave no trace behind. All trash is collected and disposed of, ensuring your surroundings are as clean at the end as they were at the beginning.

# A 5-Star Reputation Built on Tangible Results.

## The Outcome

The team of roofers were very good... our new roof looks amazing!! We are very satisfied and would highly recommend Potomac!!

— Lisa C.

## The Communication

Very attentive company. Good client communications and a quality roof installation... provided regular job updates. Good folks to do business with.

— Joe S.

## The Respect

Completed the work on time and made sure my surrounding was as clean at the end as it was at the beginning. My house looked like new.

— Joseph J.

## The Versatility

I was very happy with this company. The roof looks great! The crew also did a good job on clean up... also installed new gutters and they look great!

— Sandra B.
